BIBLE QUIZ — SUMMER REAL AUSTRALIAN

Bible Quiz – Summer RA

We made a mistake in the Christmas Quiz in the Summer RA, the questions were so tricky they even tricked us! The bible doesn't tell us how Mary and Joseph got to Bethlehem, it only says they went there. Stories and movies like to show that they went on a donkey, but the bible does not say they did! The sign that the shepherds were to look for was a "baby wrapped in cloths lying in a manger". Luke chapter 2 verse 12 tells us so.

Thanks to Julie Brackenreg of Glebe who was the first to point this out to us. The bible contains everything we need to know. The other things, like whether Mary and Joseph rode in to Bethlehem on a donkey or not are nice to think about but not necessarily true.

Baby Jesus who lay in the manger grew into the man who died on the cross for us. His cute baby hands and feet grew to be the hands and feet that had nails driven through them. This baby that Mary held so tenderly grew into the man whose side was pierced to save us.

Jesus is a mighty Saviour who died on the cross for us and so we can be friends with Him. But he didn't just die, he rose from the dead! God sent Jesus to do all this for us! Easter isn't about eating lots of chocolate or about holidays but about life in Jesus and remembering what he did for us. Thank you Jesus for Easter!

MASCOT FOUND!

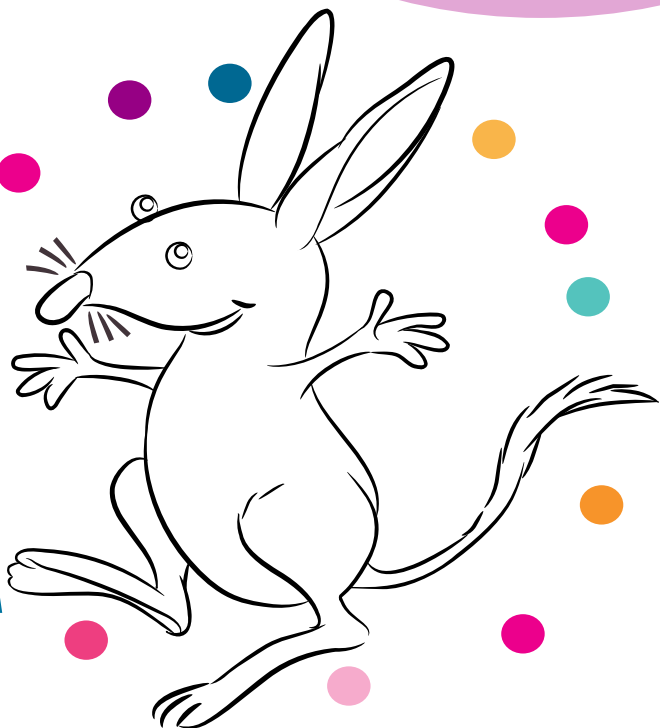

We are happy to announce that BCA for Kids has a mascot – **THE BILBY!**

Bilbies are small marsupial animals that are unique to Australia. They live in burrows which can be up to two metres long! Bilbies like to be active and leave their burrows only during the night, which means they are nocturnal. You might see a bilby in the wild if you went to South Australia, Northern Territory and parts of Western Australia, but they are quite shy creatures so you might not see them at all! There are not many of them either since they are an endangered species so if you do see them it is a very special treat!

The bilby was chosen as a mascot because it is a uniquely Australian animal and it needs to be saved! Being endangered means the species needs our help to survive. Everyone in Australia needs to be saved through Jesus and BCA works to spread the gospel throughout Australia so that people can learn more about him.
