

Exmouth

Anglican Community Church

Volunteer Work-Party

Easter 2010

A Holiday with a Difference!

Come to Exmouth in Easter 2010 to help us construct our new church building & residence.

- ▶ Enjoy fellowship with people from around Australia ◀
- ▶ Become part of North West History ◀
- ▶ Enjoy the wonders of Exmouth & the Ningaloo Reef ◀

We need...

Willing hands and qualified tradespeople for:

- ☺ **Electrical** ☺ **Air-conditioning** ☺ **Plumbing**
- ☺ **Painting** ☺ **Plasterers** ☺ **Carpentry** ☺
- ☺ **Joinery** ☺ **Landscaping** ☺ **Fencing** ☺
- Child-care** ☺ **Catering**

All volunteers will be instructed and supervised by competent tradespeople. You don't need existing skills to be useful! We will train you.

Work Party 3rd - 17th April 2010

Bring your family. Bring your friends. Bring your church. Bring your tools (if you can). Use it as a team building exercise. Make it an excuse to see part of the remote North West. Come for all or part. We will also need qualified tradespeople before and after the work-party.

Getting to Exmouth:

Drive - 1270km from Perth (one big day's drive or two easy days. Note: Night driving is dangerous in NW).
Fly - Skywest from Perth. Prices vary considerably. \$161 earlybird special available at time of printing (avg ~ \$300)

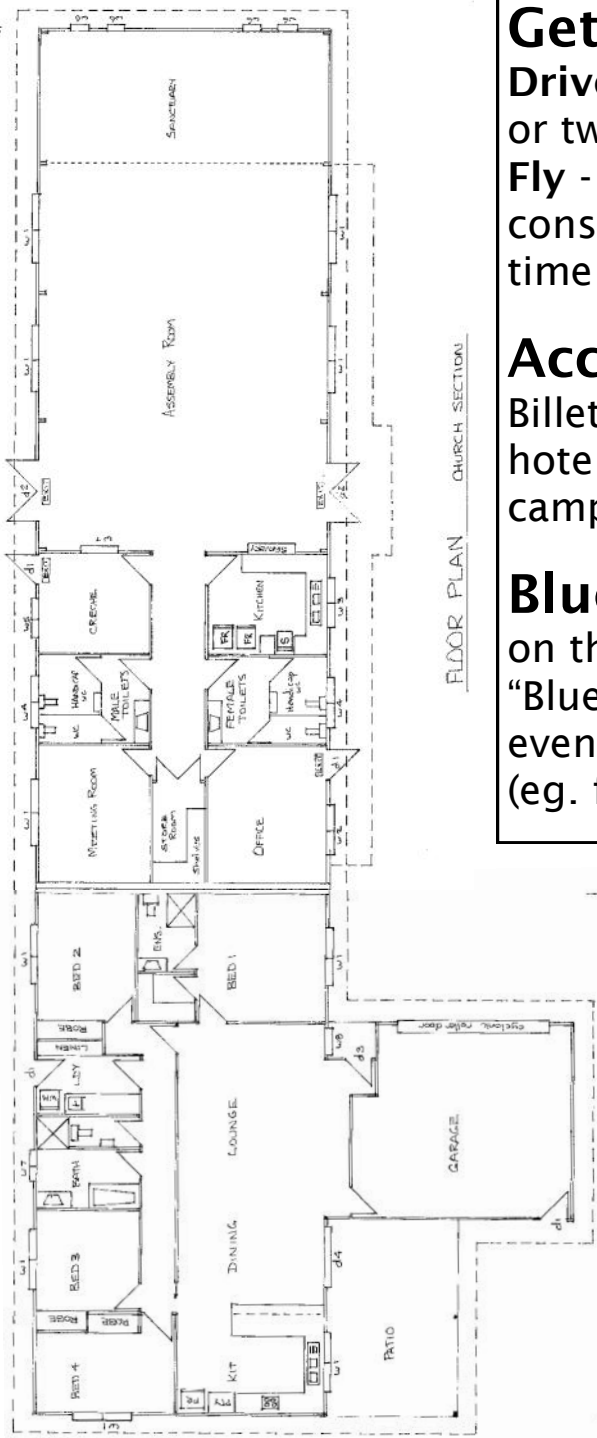

Accommodation: (First in, best dressed)
 Billed, loan houses, rental houses, various hotels, lodges & backpackers, caravan parks, camping on/near site.

Blue Card: It is a requirement that all people on the building site have a safety awareness "Blue Card". These can be obtained through an evening TAFE course or an ONLINE assessment (eg. frontlinests.com.au). They cost around \$80

Construction Schedule

February - Earthworks, slab, & frame

March - Roofing, windows, utilities

April - Volunteer work-party (3rd-17th)

Internal fit-out, landscaping, painting

May - Final tiling, painting & utilities fit-off

Join us for our
famous Easter
Sunrise Service at
the Lighthouse

Registration

Please fill out the form on the back to register for the work-party. Please post or email. We are hoping to have 50-120 volunteers helping us during the two week period. As accommodation can be limited during the school holidays it is recommended that bookings are made early. Likewise - special price airfares will not last long.

Your voluntary assistance in constructing our building will greatly ease the burden on our very tight construction budget. Building in the North West is a very costly exercise. (Building in the NW has been calculated to cost 80% more than in Perth. Extra costs include transport of materials, housing of workers and additional cyclone construction costs.)

If you have any questions please email or call Lachlan Edwards.

Phone: (08) 9949 1694. Mb: 0437 150 100.
